### CD Release Party

Drummer CARL ALLEN and bassist RODNEY WHITAKER – masters of tone and tempo – are accomplished musicians, respected educators and music visionaries. With combined credits of nearly 200 recordings as sidemen, Carl and Rodney have nine CDs as leaders. Showcasing original material, in addition to stirring renditions of Motown and contemporary gospel-associated compositions, *Get Ready* is music with the heart of New York, the soul of Detroit and a sound all its own.
